Screenshots:

The collage includes several screenshots and graphics:

- Installed Extensions:** A screenshot of the Chrome browser's 'Installed Extensions' page, showing a list of installed extensions with details like name, version, and update status.
- Search Results:** A screenshot of a search engine results page for 'Public House', showing a list of buildings with details like location, building function, and completion date.
- Protector:** A screenshot of the 'Protector' extension interface, which monitors for potential adware/malware/spyware extensions.
- Mobile Browser:** A screenshot of a mobile browser interface with a callout box that says 'Use desktop Chrome Browser 'virtually', with Flash Player, Java, and...'. Below it, it lists various extensions like Chrome Web Store, Puffin, SlotoRocket, Facebook Games, etc.
- Game:** A screenshot of a game interface with a character and various items.
- Sports:** A screenshot of a sports news article featuring a cyclist.
- Chrome Plugins:** A screenshot of the 'CHROME PLUGINS' website, which provides information about Chrome plugins and forums.
- Search Results:** A screenshot of a search engine results page for 'bing', showing search results for 'bing'.
- Top 10 Google Chrome Extensions:** A graphic with the Chrome logo and the text 'Top 10 Google Chrome Extensions'.
- Rational Support:** A graphic with the text 'Rational Support is behind the huge column!' and an image of a large column.
